

International Movers

We are pleased to share some exciting news with you !

In order to meet our customers growing number of requirements, **ISTANBUL EKSPRES International Movers** has gone into partnership with **XPRSolutions Relocation Services**; one of the leading Relocation Services companies in **Turkey**.

Although under the umbrella of ISTANBUL EKSPRES, **XPRSolutions Relocation Services** will still operate as an independent company.

XPRSolutions Relocation services consist of **pre-trip session, home and office search, school search, temporary accommodation, immigration service, orientation tour, settling-in, language and cultural training.**

With offices and facilities based in **4** major cities in Turkey (**Istanbul, Ankara, Izmir, Adana**), we will be able to reach our customers in a much shorter time frame than any other competitor in Turkey for relocation and moving services.

We believe that this partnership will strengthen both companies' position in the relocation and moving industry. Furthermore, based on mutual strategic vision and continuously improving service quality, both companies will be in a better position to pass on greater benefits to our customers and industry partners.

For additional information on the services of **XPRSolutions Relocation**, please visit the website <http://www.xprsolutions.com>
